

M/P CLEAR ADHESIVE PP MATTE

(SE310)

Details

- Microporous coating - Extremely fast dry time
- Permanent adhesive with PET release liner
- Glossy finish with curl free and water resistant characteristics
- Extremely sharp color expression
- Excellent for durable high quality image applications in retail spaces and tradeshow

* Condition/Setting

High heat settings with HP Latex printers may cause minor curl, so lower heat settings need to be applied.

Wet application is recommended.
